Friday 7:00 pm – Celebrate Recovery - Coastal Church – Georgia Street

**I'm sure there are many more Christian 12-Step meetings taking place in churches and rooms around Vancouver and the Lower Mainland. We'd love to share that information with others. If you attend or know of any such group, please send the information to us along with contact information if that's available. Let's get an extensive listing available so anyone can find a meeting in their neighbourhood when they need it.**
